Morgan Herrick of Cedarburg High School in Wisconsin said she's orally committed to the Drake women's basketball program for the 2007-08 season.

Herrick, a 6-foot-1 forward, was a three-time all-state player and three-time North Shore Conference Player of the Year. She holds the school record for career points (1,345), and rebounds (594).

Herrick said her visit during the Bulldogs run through the Missouri Valley Conference tournament helped persuade her that Drake would be a good fit.

"Knowing that I might be able to go into an already-great program and try and help get the team to the tournament again," she said. "(And) the girls were awesome and the coaches were really sweet."
